

# MULTI-ENGINE RATING CHECK RIDE

## DOCUMENTS TO BRING

- ☐ Private or commercial certificate
- ☐ Valid medical certificate
- ☐ Logbook with endorsements
- ☐ Multi-engine aircraft documents
- ☐ Aircraft registration and airworthiness
- ☐ Government-issued photo ID
- ☐ Weight and balance data

## ORAL EXAM TOPICS

- ☐ Multi-engine aerodynamics principles
- ☐ Engine failure procedures
- ☐ Performance calculations and charts
- ☐ Aircraft systems knowledge
- ☐ Emergency procedures and checklists
- ☐ Weight and balance considerations

## PRE-FLIGHT PREPARATION

- ☐ Weather briefing obtained
- ☐ Multi-engine aircraft preflight completed
- ☐ Weight and Balance calculated
- ☐ Performance calculations completed
- ☐ Emergency procedures reviewed

## FLIGHT TEST MANEUVERS

- ☐ Engine failure on takeoff
- ☐ Engine failure during flight
- ☐ Single-engine approach and landing
- ☐ VMC demonstration
- ☐ Steep turns (multi-engine)
- ☐ Slow flight operations
- ☐ Engine fire procedures
- ☐ Feathering propeller procedures
- ☐ Single-engine go-around
- ☐ Emergency descent procedures
- ☐ Systems malfunction procedures
