

# MULTI-ENGINE INSTRUCTOR CHECK RIDE

## DOCUMENTS TO BRING

- ☐ CFI certificate
- ☐ Multi-engine rating certificate
- ☐ Valid medical certificate
- ☐ Logbook with endorsements
- ☐ Multi-engine aircraft documents
- ☐ Government-issued photo ID
- ☐ Teaching materials and lesson plans

## ORAL EXAM TOPICS

- ☐ Multi-engine aerodynamics instruction
- ☐ Teaching emergency procedures
- ☐ Performance calculations instruction
- ☐ Aircraft systems instruction
- ☐ Learning theory and teaching methods
- ☐ Risk management principles

## PRE-FLIGHT PREPARATION

- ☐ Weather briefing obtained
- ☐ Multi-engine aircraft preflight completed
- ☐ Teaching scenarios prepared
- ☐ Lesson plans organized
- ☐ Emergency procedures reviewed

## FLIGHT TEST MANEUVERS

- ☐ Engine failure demonstrations
- ☐ VMC demonstration instruction
- ☐ Single-engine approach teaching
- ☐ Emergency procedures instruction
- ☐ Performance calculations teaching
- ☐ Systems operation instruction
- ☐ Scenario-based training methods
- ☐ Risk management instruction
- ☐ Error recognition techniques
- ☐ Student assessment methods
- ☐ Positive transfer principles
